## EASTER CONVENTION 2012

*OUR PRECIOUS LORD JESUS HONOURED US WITH HIS PRESENCE FOR THE THREE DAYS.*

Pastor/ Evangelist: George Scharneck from Sth Africa ministers to us.

We remembered that Jesus had prepared a fish meal once, and the dear Sisters have also prepared this beautiful meal [we know – we tasted it!] And you can just see by the smiling faces that His Presence was there even in the midst of a financial recession in the world...

And we see the same thing spiritually - Happy faces in our Lord's presence.

At the right: Bro. and Sister Scharnack relax with Sister Margaret Prime after the Lord sent forth His Word at a time of a 'famine of The Word'!

Left: Bro. Paul Moffitt also relaxing.

Below: Rapturing Faith Believers Choir singing to the Lord.

# From the Editor's Desk:

Greetings to you all, Brethren, in our Lord Jesus' Precious Name. What a lovely time Sister Joan and I had at The Rapturing Faith Believers Easter

Convention in the Titirangi Memorial Hall, Auckland.

And we thought we would put a photograph of us both at the fellowship in, in place of the Editor's photograph.

We were convinced that Pastor Freddie's vision of "Let Brotherly love Continue" was fulfilled among the Brothers and Sisters as we witnessed a wonderful coming together from Christchurch to Northland and also from Australia.

What a time of blessing we had from the Lord as we sat and listened to Bro. George Scharnack from Sth Africa, Bro. Paul Moffat and Bro. Ferdinand Esau.

Pastor John Waka from PNG has sent us a letter and when you read it, you will realise how the dear Lord has moved and brought in the Souls there, under Pastor Derrick's and Bro. Adrian's messages. Thank You Lord.

And now I will stop and wait for news from Bro. Adrian who has just returned from PNG.

The Committee Members join me in wishing you God's blessings.

Bro. Charles

## Julianna's Continued Healing!

God bless you Saints.

Many thanks for the prayers that you prayed for our grandchild Julianna.

Here she is together with her parents on a very recent picture.

The picture shows that she is much better than last month. I spoke with my son a few days ago, Julianna was on a doctors check-up, the doctor was very satisfied about Julianna's condition, she really got a good Hb A1c value, for those that are acquainted with diabetes knows that that value is very important.

And Julianna's glucose values are doing well; the doctor even reduced the amount of insulin. All these improvements are thanks to your prayers and the healing power of our Lord Jesus Christ. We keep looking forward for a complete healing and we know that it is a fulfilled work from Golgotha.

The One Who saved us is the same One Who healed us, a complete work. Nothing can be added to that and nothing can be taken away from that. I witnessed two cases in our church in Brussels where the two brothers were healed completely from diabetes.

### **Let brotherly love continue...**

It saddens me to think that the Convention we had planned for quite some time has come and gone in a flash. What life changing meetings they were, with countless testimonies from the believers that they 'can never be the same again'. I believe that God has started a work amongst His people and that only eternity will unfold the magnitude and impact these meetings had upon the attendees. I want to take this opportunity to express my heartfelt thanks to first and foremost, our Heavenly Father, for gracing us with His Presence: for a meeting without Him, is a failed meeting. I want to also thank the ministers who preached at the meetings, the believers who came from areas stretching from the Far North all the way down to Christchurch, as well as those from the local assemblies. Thanks to all those who assisted, with a SPECIAL THANKS to our local assembly for the manner in which they all worked together to help contribute to the success of the Easter Convention. God bless you richly

# At Evening Time It Shall Be Light

## Zechariah ch 14

16<sup>th</sup> April, 2012 My dear Beloved Brothers and Sisters,

Greetings to all of you Saints of the Spoken Word Christian Fellowship and our beloved Brother Derrick Donaldson and all the believers around the world in this same faith of the Bride Message, in the Name of our Lord Jesus Christ. This is a "Report for our National Believers Convention held on the 5<sup>th</sup> – 8<sup>th</sup> April, 2012 in the Southern Highlands Province, P.N.G.

Theme: "The Hour of Dawning of the Evening Light

Message" has already arrived in this late hour in our Country of Papua New Guinea through the Message of the hour by awakening His Elect into the fullness of The Word.

We as a nation have been misled by the false doctrines of the denominations in the past 36 years of independence in which we have been bound by the deception of the devil through the trinity and counterfeit relations which blindfold many good people in this country of P.N.G.

But God who is rich in mercy, has given a vision to our beloved Brother Derrick Donaldson from New Zealand for the past seven years by patiently waiting and quietly investing in this country of Papua New Guinea.

On the 5<sup>th</sup> – 8<sup>th</sup> April 2012, this country, Papua New Guinea has once again seen and experienced the outpouring power of the Holy Ghost and the manifestation of the Spirit of Malachai 4 in this Laodician Age, through the powerful preaching of the Word by the ministers who have come all the way from New Zealand and Australia; and also hearing from their own native brothers who have come into the revelation of the Message of the hour.

In this Easter Convention, the Message was so unique because The Lord Himself had laid the foundation through the vessels in each session in the series of Messages like: "The Hour Has Come:" [Bro. John Waka] "The God Head" [Bro. Derrick Donaldson], "The Dawning of the Light" [Bro. Adrian Gray] "The Seal of the Denominational Tomb was Broken & Jesus is Alive for Evermore" [Bro. John Waka], "I Never Knew you" [Bro. Kare Dick].

Above: Bro. John Waka with Bro. George Nepo, a 70 year old former pioneer in the denomination church, called PNG Bible Church. And the church of the Nazarene, where he was the Pastor in the early 50s. When Bro. Derrick Donaldson was ministering, Bro. George Nepo quickly responded to the Message and said, "The true light of the Word as it strikes my soul I know that the hour of my true identity has arrived, and I know that I have seen the Lord Jesus once again manifested in flesh and I will die, be buried, and be resurrected in the name of the Lord Jesus Christ in this Christian Baptism, and ready for my Bridegroom."

The attendance of the people in the Convention was very high. Also on the 7<sup>th</sup> April there were twenty-five souls who came into the full revelation of the Message of the hour and all of them were rebaptised in the Name of the Lord Jesus Christ.

As the Prophet William Branham quoted, 'Father,' said Jesus, 'The time has come when the world's full of scoffers, like the Bible said it was: heady, high minded, lovers of pleasure more than lovers of God, truce breakers, incontinent, fierce, despisers of them that are good. The time has come when the signs should follow the believers. The time has come for the church to move up or go back. You have to make your decision. Isn't that right? The time has come'. **R. Baptism Service.**

I once again thank you all, the Board of Trustees and the saints of Spoken Word Christian Fellowship and our beloved Brother Derrick Donaldson and family for having this big heart and vision by investing greatly in this country, Papua New Guinea with the Message of the hour, to identify His true elect into the fullness of The Word before the coming of the Lord Jesus Christ.

God richly bless you all.  
Jehovah Shalom.

# ~PNG MISSIONARY VISIT OF APRIL 2012~

God bless you brethren.

I wish to acknowledge that the BNL has been an outstanding tool for obtaining backing for the missionary work being done in PNG and to bring witness to those that support us of the great things our Lord is doing in these remote regions. My gratitude goes out to Bro' Charles for promoting this work for us.

**Giving out Message Books. R: Baptism**

This April, the missionary work was done a little differently with Bro' Derrick Donaldson travelling a few days earlier to open a newly built church in the highlands assisted by Bro' Jim Carman from Australia, then meeting up with Bro' Adrian Gray and Bro' Jerry Sellers in new territory 8000 feet above sea level. Here in an area of bare land, a tubular tent was set up and meetings held over 4 days. A large number of brethren were baptized in the icy waters of a dammed up creek. The messages preached were shared equally between the foreign and native ministers. It is essential that the native ministry is exposed to the public as this nation is theirs to take the message of the hour to. These meetings were arranged by Pastor John Waka and supported by many visiting Saints from other message churches.

**Bro. Jerry and group waiting for vehicle.**

a local river.

It is hard for the reader to comprehend the mood of change that is coming over this region of the world that has had enough of the dead doctrines of the denominational systems. But PNG is in its season of revival and they recognize the truth when they hear it. There were many attempts made by demonic powers to withstand us, but the power of God took control of every one of these situations. After the last meeting, the congregation didn't want to go home - such was the presence of the Lord. Huge numbers of message books were handed out as well as MP3 players and solar chargers. Our grateful thanks goes out to the respective brethren in NZ that have donated to the funding of these materials.

After these meetings Bro' Derrick travelled back to NZ and Pastor Kare Dick organized for Bro' Adrian and Bro' Jerry to go with him further into the hinterland to villages that had never been exposed to the message of the hour. The only transportation were worn out 4WD trucks that took 5 hours to go 30 miles as a result of the rough terrain. We were well received by the local denominational churches and were given full liberty to preach whatever was on our heart. As a result of this, many of the denominational pastors and their churches have embraced the message and turned their backs on the systems that have controlled them. There was a lineup of pastors and their wives baptized along with a large number of brethren in the warmer lower altitude waters of

Shalom.

Joshua Martin : The Poem Billy Wrote as a Boy: **“I am Lonesome, Oh So Lonesome”**

Six Boys singing: I am lonesome, Oh, So Lonesome, For that Far Away Southwest,  
Where the shadows fall the deepest, O’er The Mountain Crest  
I can see the Lurking Coyotes, all around the Purple Haze  
And can hear the Lobos Hollering, down where the Longhorns graze.  
But Somewhere up the Canyon, I can hear the Lion’s Whine,  
In the Far Off Catalina Mountains, on the Arizona Line

Whole Choir: Chorus: I am Lonesome, Oh So Lonesome, For My Theophany  
A Perfect Grownup Body, But it would Still be Me  
The World can’t understand it, or ever Hope to See

Karen-Hope Daniels:

When Bro. Branham was a little boy of twelve, he wrote  
The Poem you have just heard, On A Borrowed Sheet of  
Paper He always imagined himself a Cowboy in the South-  
West, and even though he has never seen the Catalina  
Mountains, he was lonesome for them. Many years later.  
His inspiration became a reality and he sat right there  
in the Canyon with the lion looking in his face, and said,  
“When I was older than twelve years old, I longed for a  
Land I’d never seen before. And Someday soon, I am going  
to Step Out Of This Body Into A Brand New Body Called

Whole Choir sings Chorus:

# The Spirits of Just Men Made Perfect

19<sup>th</sup> Feb 2012

Believers Christian Fellowship. Ohio.

## Brother Bob:-

How many believe that God is ever present? You've got to believe it ,Brothers and Sisters. I don't care what the turmoil is or what the world is doing or what is going on around you, God is present, if you'll call upon Him and believe upon His Name.

I've got a testimony and I believe there's someone here who is going to benefit from what I am going to say. First of all I don't give any credit to man. We are not up here to be a witness of what man can do. The Glory all goes to Jesus, and Jesus is God. You remember that. He's ever present. I want to tell you a little thing that happened.

Sister Joanne is going to stand up in a minute. She doesn't know that, but she's going to bear witness to what I am going to say. On Thursday she woke up in the morning. She said, 'I've got a soreness in my wrist, I can't use my hand.' We prayed.

On Saturday morning she said, 'Oh! I'm in such pain, it's in my wrist, it's in my whole arm now. I can't use my arm. Got any idea what is happening?' We didn't. I said, 'what can I do honey?' 'I don't know!' I kind of got off to myself, I said "**Lord, what can I do? I've got to help her.**" Now, you just bear with me Brothers and Sisters, because this is kinda hard to come out with because the Spirit of the Lord is here and if He doesn't strike somebody, it'll surprise me. "What can I do Lord?" And right away the voice came to me ~ '**Lay your hands upon her and speak The Word.**' Just like that! And that doesn't happen very often Brothers and Sisters. A lot of times it will come to our mind, but that was an immediate answer. Lay your hands on her and speak the Word. She got up and I had her out in the chair. She was sitting in the big chair, not feeling good at all. She said I need to go into the rest room and in the bathroom we have the big double sink. I've got Tim up here to give witness to what happened later.

And she said "I don't feel good" and she just kind of went down and set up on top of the toilet seat. I said, 'it's alright Honey'. I was standing right beside her and she said 'Oh, oh, and fainted. I'm standing beside her and I'm watching. It just kept coming to me. *'I'm a very present help in time of need.'*

That's just what happened Brother and Sister. If you don't believe that you are not a believer! Now you can be a sinner, but you can still be a believer! I'm not saying that for that purpose. You've got to believe God is present and nothing else matters. Anyway, to get on with the story so you understand what took

place.

With my hand on her head I'm holding her back here and my hands are on her. I'm watching her breathe. The breathing stopped. I watched it. I thought, Lord, you can't do this! Told her it happened and I began calling her name. I said, 'in the Name of the Lord Jesus Christ honey you come back. You come back to me. Lord Jesus you are a very present help in time of need. Honey, Jo, Come back in the Name of Jesus Christ! '

Now, that's not man doing that Brother, Sister. That was God and she began to - [Brother Bob draws in his breath quickly] There she was! She was back with me. That's God brother and sister! But there's more to this story than this. **He never does anything but what He proves His Word.** There was one proof of it right there. She began coming around and I said to her, 'Honey, I can't even get to the phone.' I was ready to call 911 'cause I knew she was gone when she stopped breathing and then came the Word, "*I'm a very present help in time of need*" and I called her back. Jesus Christ gave her back to me and to you as a witness. We know that it's a witness of His ever-present help. He's right here now. He's in this service. He can take care of your needs right now. I'm telling you Brothers and Sisters This isn't just a make believe story. This was more than that. This was something that happened that was real in our presence.

Now, let me go on with the story. We want to prove what happened. She finally came up enough and I said "Can you just sit there a minute and I'll get the phone." She said "Call David" I got the phone, and I called David and she couldn't even at that point put her hands up to take the phone. He said 'Put this to her ear' and he prayed and he told me later his prayer was to drive that spirit out of her body. Amen.

Then I talked to David a little bit later, By that time she was coming around and could get up. I took her back, set her in the chair. and David then talked to her. Now David had medical training. He says when that happened, she stopped breathing, and she was gone. She had even turned loose. That's what happens. And he said now, 'if it persists like this and you think you need to call 911 you go ahead and do it. But I believe that the work has been done. He said, 'you call Tim'. I called Tim and Tim prayed immediately. I said 'Tim, I want you to come over.' When he got over here, I said, 'God wants to prove something. Let's just take her into ER' and we did. We took her in there.'

Believe it or not, she walked from the house to the car and then from the car to ER. A walking miracle! She walked into ER. They wanted to know

what happened. You know we had a chance to testify. Listen, they said – ‘Now, wait a minute, you’re talking about a wrist? And an arm up left side, all up the left side?’ Oh boy, they had machines all over her. I mean two different ones, ex-ray machines. Just come in - the whole works - they even told us ‘we’ve gotta check her heart’. Now women maybe don’t have heart pains but women will have aches in their arms and it’s still their heart.

Anyway, we had a chance to testify. Said look, when she was out and I told them she was out, she stopped breathing and I called on the name of the Lord Jesus Christ and she came back! Their reply - Well, yeah, you know, it might be that way! But see, that’s an unbeliever. We believe! We actually believe. So we went through all of this, all the tests and now we are going to let Tim talk about what he saw there at the Hospital and what the Doctor said.

#### Brother Tim

I tell you, she is a walking miracle! We’ll just give God the glory. We were sitting there and the pulse was normal the whole time, the blood pressure was normal the whole time. The monitor showed normal, all the way through and the Doctor came in after it was all said and done, and he says ‘She’s fine.’ All the blood tests come back perfect. All the results of the heart, the x-rays of the heart can’t find a thing. I tell you, Brother, Sister, **when God does it it’s done perfect! It’s done right.** There’s just no if’s, and’s or but’s, when God does it it’s done right! And she is just a walking testimony, a living testimony of it and a proof of it that she was gone, but we have that authority to call that spirit back. God can take her home, but He said ‘no, it’s not her time.’ But it wasn’t time,

Satan is a destroyer, he tries to destroy, but if it’s not Gods timing then he can’t do anything. If it ain’t Gods timing he can do nothing and it wasn’t her time. He just called her spirit back. I still need her. Dad still needs her, we all need her. She’s a living testimony. Stand up Mom. [clapping] Praise God! She couldn’t raise her hand yesterday when I got home, she couldn’t raise it this much. By the time it was all done it was up here. So praise be to God. See, she waved it over her head. Praise the Lord.

Brother Tim continues: Yeah, he said the x-rays came back. All that was on the x-ray was just some arthritis in her wrist. Pain started here, went all the way down her arm like this and around and settled in her wrist and then went on up her arm. That’s all they could find. Oh, it’s just a little trace of arthritis in her wrist. Our God is a miracle working God. Still alive and doing miracles today.

Brother Bob and Brother Tim.  
Believers Christian Fellowship,  
OHIO

#### Brother Jeff Jenkins

Let’s praise Him this morning. Hallelujah. How we love you Lord! and adore you! Oh, it’s just a little trace of arthritis in her wrist. Our God is a miracle working God. Still alive and doing miracles today.

How we magnify, fall prostrate before you O God. How great Thou art. How great thou art. Hallelujah!! Praise God in the highest! For you are worthy to be praised. Glory to God! Praise God! Hallelujah! Don’t you just love Him this morning? He’s so wonderful! So precious! Brother Bob, Sister Joanne, God is good! Hallelujah!

What a testimony! Amen! That is just exciting. It just thrilled me no end. I received a testimony last week, a similar one. A brother had passed away. Actually he was not even a brother, a believer, and his wife kept praying and praying and praying for him to get saved and he ends up going to the hospital, and had a heart attack. He dies, he’s dead for 8 minutes. She tells the Doctors, I’m sorry, you’re going to see a miracle, I don’t care if it’s 20 minutes, 30, I don’t care how long it is, this man is not saved yet and God’s gotta raise him up and save him.

She went in that hospital. She held onto him and she held him and told him come back to his body, come back to his body. He came back to his body and a couple of weeks later he was in church getting baptized and now he just loves God with all of his heart. This is wonderful. Amen. And what He’s done for others he can do for you. Amen.

# Message Book Printing in Kampala, Uganda

Greetings in the precious Name of our Lord Jesus Christ. I would like to express my thanks for the Supernatural books which I received on Friday.

Still on a grateful note to God is that I have started on a weekly printing of Message books and by God's Grace am apparently targeting 200 copies per week ie two Message books per week @100 copies. I have got a brother whom we have specifically agreed that he will be printing the books for two days each week and I would subsidize him with some little money. It gave me so much joy and he started last week and has now come back today to print for this week.

I trust that God is more than able to provide and sustain this work because I have already witnessed a miracle. Just before the brother completed the first batch last week, the cartridge ran out and he had to stop before the agreed number of books but we had to work on those he had printed. We bound them nicely, then I told him that I would get a new cartridge for this week though I didn't have enough money and knowing it is a bit expensive, but I prayed and placed it before God. Jehovah Jireh on Sunday gave a tithe so miraculously which has been able to cover the cartridge, papers and any related cost I needed. Another brother brought money in an envelope without me asking him and he said it was for printing books, something I had ever mentioned to the church sometime back and he again sent me some additional money the following day. Brother, I am very thankful to God and I believe He will bless our heart's desire to have this message get to the predestinated and in the Intended way. I have always printed a few books and distributed to our local Church and some others to some few brethren from outside churches but I always feel that there a lot more desired.

I have always wanted to have the people read this message and have a real true personal experience and where ever I have had opportunity to get Message books from other brethren who print these books, I have had to get and distribute them. I have got from Voice God recordings library and sometimes from Brethren of Edmonton and I love to see and help get the Message to the elect of God. May the Almighty God more and more bless this work that He has placed in my house that it will contribute whichever little portion to the spread of this wonderful Gospel of our Lord Jesus Christ in this close of time. May the Almighty God bless you for the support to this work.

Sometimes it is tight on me trying to balance the Ministry, job, studies and the home but HIS GRACE IS INDEED sufficient. If God ever gives you another opportunity to come to Uganda, I would love that you

come and minister to us and just share what The Lord would have put on your heart. I have sometimes few words if I would say when we are together but that is just a nature but I love real genuine heartfelt fellowship and it is an encouragement to me.

We are continuing with our building project contributions and I recently saw a very good plot of land for a church in the city which I am believing God to get. It is quite good and well located and please pray for us. I request that if there is any brother(friend) you are acquainted with who could be of help in this respect, I would appreciate. Oh this may not sound very easy for me to write and for you may be but I just know that God has His own way of dealing with His issues. The price is between US \$ 190-200,000. Please pray for us and I believe all things are possible.

May God bless you very much.

Your brother,

Robert Kabasi.

# Easter 2012 In Kaliro, Uganda

## Bro. Hannington Baliita

Shalom!

Greetings to the assemblies of believers in New Zealand that gathers in the Light of Mal.4:5-6, Rev.10:7 and Luke17:30.

Once again, we want to thank you and the team with you that has made it possible for the Bride in Uganda to read God's printed Voice in Luganda. Thank you for all your efforts of love and sacrifice for this noble cause in these hard times.

Our people are much blessed as now the non English speaking believers can now access the spiritual Food and the number of believers who have accessed and benefited in this project of Luganda books has increased. Now unlike in the past, when we had to pile hundreds of printed books before we could distribute, whenever we print 200 copies, I distribute.

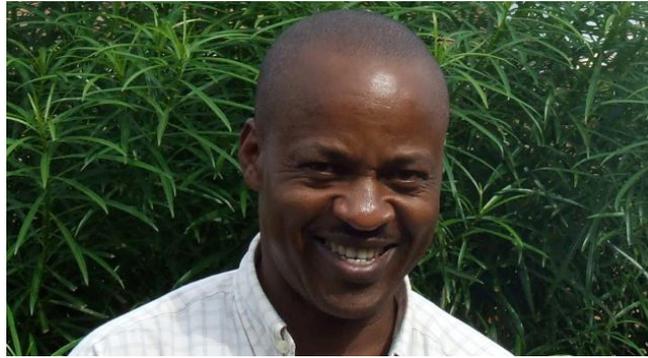

Of the US\$700 we received from Bro. Bruce, \$400 went into printing plus the \$100 of last month. Other costs for toner, electricity, travel and all the little extras including transport for distribution of the completed booklets.

So far 600 copies has been printed off 3 titles: 'The Contest', 'In His Presence', 'Paul, A Prisoner Of Jesus Christ'. And we still have some paper materials for printing.

"Then Jesus Came and Called" 64-02-13 "Awo Yesu N'ajji Nayitu" has been sent to the Message Hub" and the proof reading of "Come, Follow Me" has nearly been completed. There are now 40 of Brother Branham's sermons available on Cloverdale's [www.messagehub.info/](http://www.messagehub.info/) web site.

Yes, we had a wonderful Easter meetings at my church. We really praised, prayed and worshiped the Lord. Our purpose was to demonstrate the Gospel in the power of His resurrection. We invited friends and our neighbors. We contributed for a nice meal that included rice, matooke (banana), posho, potatoes, beef, chicken, cabbage, peanut paste, sodas and water. Bro.Lubogo Samson preached the morning service on "Victory Day," the Great and mighty Conqueror is here, and in us to give us a victory day in everything we're in need of.

I preached the second service on "Jehovah of miracles," in the Old Testament times, while it was possible for other nations to live without God, a Godless life, it was impossible for Israel to live without the Jehovah of miracles. Today while others can live a Godless life and prosper, it's impossible for a believer to live a Godless life, so we need

the God Jehovah of miracles for ALL the blessings in Christ. And lastly we had a prayer line and anointing people with oil. Though our small brick built and corrugated iron church was so hot, due the hot sun and congestion, with no fan in it, but people needed one thing: Jesus Christ.

Ministers that attended: Br.Lubogo Ssamsom, Br. Nabongho Ronald, Br.Waiswa Jackson, Br.Waako Peter, Br.Musana Hosea, Br.Ikomba Stephen, Br.Waiswa Benon, Br.Mutoto Tadeo, Br.Waiduba, Br. Paul Musulube and many other ministers who're not pastors that came from other sister churches. I'm only unfortunate that no one took a photo of this special event.

I last read the "HIGH CALLING" article in 1990 and I lost it, and I was thrilled with joy when I found it in the Believers Newssletter and I felt other ministers can be blessed by this and I printed and distributed it to ministers. Please continue sending me the Believers Newsletter from N.Z..

About our church building, I feel a photo can speak better than my words. If God allows another event in my church, I'll always send you a photo.

On behalf of the believers in Uganda, we continue thanking you and our New Zealand brothers and Sisters for their undying love for God's work and His children by supporting the translation work.

May the Lord bless you all.

## ***PASTOR YUCEF NADARKHANI BIRTHDAY VISIT BY FAMILY***

**APRIL 17, 2012** - Pastor Youcef Nadarkhani spent his 35<sup>th</sup> birthday in Prison in Iran, his third while Illegally detained and facing execution for his Faith. Our sources in Iran have confirmed the **American Center for Law and Justice (ACLJ)** that Pastor Nadarkhani was allowed to see his entire family for his Birthday on April 11. This was a rare family Reunion in the prison where he has been incarcerated for more than two and a half years since he was arrested for questioning the Muslim indoctrination of his children, at length charged, convicted of Apostasy and sentenced to death.

He was also able to visit with his local Iranian attorneys, an especially rare and important meeting as he faces impending execution for his faith. One of the biggest obstacles in fighting for Pastor Youcef's Freedom is the limited access that this illegally imprisoned pastor, who essentially sits on death row, Has with his attorneys. The ACLJ says "Not only does this mean that Pastor Youcef is still alive, it is a precious reminder of what we are fighting for – **FREEDOM** for a loving father, a caring pastor and a devout follower of Christ" the ACLJ stated in an **April 2 Press release**.

The Supreme Leader of Islamic Republic, His Excellency Ayatollah Sayed'Ali Khamenei has not yet Responded to the local court's request for his legal opinion on Pastor Nadarkhani's 2011 death Sentence and no written verdict, has been brought.

## Middle East: Depending On Us...

Greetings in the name of our Lord Jesus Christ. As April draws to a close and another resurrection season is now behind us, one can't help but wonder, "How much longer Lord?" For those who were privileged to have been personally present in some of Brother Branham's meetings, it must have been inconceivable to think of entering a new millennium – let alone be coming to the 50<sup>th</sup> year since the 7 Seals were preached. And yet...here we are. There must be a reason.

How thankful we can be that our Saviour is a God of grace. As Peter wrote; **"The Lord is not slack concerning his promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance."**

<sup>1</sup> While the body change can't come soon enough, we also realize that we are here for a purpose. Peter expressed the heart of our Saviour, which I believe we are to embody, that being He is "not willing that any should perish".

It is this very attribute of His longsuffering that is one of the primary reasons I believe we are still here. Brother Branham explains, that even as much as our Lord is **wanting** to return and take up His throne through the Millennium, the reality is - He won't, and is waiting and depending upon us to take the Gospel to the world. Sad to say, the Lord spoke through a prophet and chastised us because of **how short we have fallen**;

*"My heart bleeds for Him. And to think He's waiting for us to take this Gospel to all the world. Then He said, "I will return." He's setting on His Father's throne tonight, waiting to return to His Own throne. His--David's throne to rule and reign through the millennium. He's longing to return, and He's depending on the Church. How short we have fallen. God help us and forgive us, is my prayer."*<sup>2</sup>

Those of you who know our testimony, know of our burden and the deliberate steps we took to go to the Middle East, the largest unreached – and one of the most difficult regions in the world. At least we can do our little part in fulfilling the great commission entrusted to the Bride.

 **Greece:** It's an honor to write this letter to you from Neopolis<sup>3</sup>, Greece. Interestingly, this is the very city where Paul and Silas first landed in Europe, led here by the vision of the *Macedonian* call<sup>4</sup>. The ruins of Philippi are just a few miles inland from the harbor where they would have landed. With a little extra time to spare before our meeting, Brother George and I went and wandered through the very ruins of what had once been the vibrant city in which Paul and Silas preached - and were cruelly imprisoned<sup>5</sup>.

It was an incredible feeling to stand in the very place where the power of God so violently shook the city that loosed His servants from their shackles and opened the prison doors. As I looked out over the ruins I envisioned Paul, walking the streets with an astonished jailer and leading him and his family to a living faith in Jesus Christ. Reflecting upon these incredible events, a cry welled up within; **"Oh Lord, visit this place one more time. Shake the souls of men and women and break them free from the religious shackles of man-made religion."**

Pictured here is the congregation kneeling in prayer before I ministered on Sunday. The Holy Spirit blessed me with His power and anointing as I boldly declared the Lord's "harvest angel" in this last, Laodecian Age. I exhorted the people to ponder and search out the Truth, like their spiritual neighbors to the south in Berea<sup>6</sup> when they heard Paul deliver his "new" teaching for the first time.

There was a very positive response to the Word for which we thank the Lord. We spent much time in the Word with the Pastor and others of the congregation and are thankful for the open invitation to return again. By God's grace we will continue to return and water the Seed of the Word which has been planted.

There are others to remember in prayer too. Those in Jordan with whom we've spoken; Those in Syria and Iran who are suffering. The unstable political condition in Syria unfortunately remains unchanged so that we are unable to return. Even though a UN ceasefire had been brokered, it scarcely lasted 24 hours and fighting broke out again. It is a critical situation in Syria. We continue to remember those with whom we keep contact and also for those imprisoned in Iran who continue to suffer at the hands of an ungodly regime.

How thankful we can be for the liberty we have to worship God in freedom and for the Truth that He has restored us to. We know our Lord is soon to return – and **waiting** on and **depending** on us to finish the work. Though we have fallen short and there is much yet to do, we pray that the Lord will help us and direct us to the elect that are waiting to receive the truth. This we shall do with your prayers and support. May the Lord bless you richly.

Brother Tony & Sister Rebekah

## Mission update

April 2012

**Dear and beloved believers in JESUS,  
Warmest Christian greetings in the most precious  
and matchless name of Lord Jesus Christ**

We are greatly and highly thankful and appreciative to Lord Jesus Christ for his grace and mercy upon us here in Pakistan. He is leading us to His elected seeds with this End time message around Pakistan and we are winning the lost souls with the present time revelations of God through His servant and prophet William Branham. Praise and glory to His blessed name!

Denominational people are accepting the end time message of this age, leaving denominations and preparing themselves for the second coming of Christ very soon. It is the great, wonderful and amazing grace of our Lord and Saviour Jesus Christ. We are greatly privileged and blessed people because of Him and Him only. Halleluiah and glory to God.

### **Seminar on Good Friday:**

More than 200 people get together on Good Friday seminar at Pak Tabernacle Karachi; we arranged tents and chairs on rent for the people. As the believers were standing and sitting in the street because there was not enough space in the Church building for them. We are praying and looking forward to God for a bigger and suitable church building for the believers in Karachi.

We had 2 sessions in the seminar and in First session Pastor Munir preached about suffering of Jesus Christ in Garden of Gethsemane and terrible situation He faced there. In the second session I preached about mocking God from Gal 6:7 and given many examples of people who mocked God and their end/destination.

I shared the quotes of Brother Branham.

After the message brothers arranged the food for all the people present in seminar and they served food among the congregation. They enjoyed spiritual and physical food at one place, they were very happy and blessed by ministry of the Word of God. Some of them were new comer and heard the message of hour first time. They showed their great interest to know more about Brother Branham and his message. Thanks God for His amazing grace and constant love to His precious bride in Karachi Pakistan.

### **Ps. Javed Barkat's missionary trip in Lahore city:**

On 10th April Brother Javed Barkat from Quetta called me and told me about his meetings in Lahore city, he visited many times Lahore and

preached the message of hour among new people in the city. During this campaign he met to Pastor Akram Roshan, (who was trinity believer) Brother Javed Barkat shared him about Brother Branham's ministry and end time message for while.

Pastor Akram asked many questions and queries related to Brother Branham and his awesome ministry. Brother Javed Barkat answered him humbly and meekly and by the grace of God after many meetings he accepted message and now he is ministering the Word of God with end time message in Lahore city. He has church building on rent and many church members in his fellowship.

We are trying our best to help and support him with any possible support. Now Brother Javed Barkat again visited Lahore city he preached the word of God there,

after service some brothers came to him and asked him questions about new life and baptism in Lord Jesus name. Brother Javed Barkat answered and guide them to Lord Jesus Christ and then three of them baptized in the name of Lord Jesus Christ. Praise and glory to the Lord Jesus Christ.

Pastor Akram and Pastor Javed Barkat invited me for more spiritual growth of the Lahore church many time. I am planning missionary trip to Lahore city and other cities of Pakistan because I have received many invitations from all around the Pakistan, especially from Punjab province.

Please keep me in your personal and social prayers, as I am going to mission field with this two edge sword that God use me for His honour and glory to bring the elected to His kingdom through this message of the hour.

We are greatly and highly thankful, appreciative and admiring all our precious brothers and sisters who are continually praying and supporting us in this Islamic country of Pakistan in these tough circumstances for the propagation of the gospel with end time message. Please keep Pak Tabernacle bigger church building plan in your prayers as we are very much need for the bigger space for the believers in Karachi.

We are faithfully praying for each of you, your family and your precious ministries. Kind best regards to all the saints in Christ Shalom

**Your brother in JESUS,  
Pastor Shamoob Yaqoob**
